

Parent Information Pack

Welcome

Amped Up Rock School runs weekly band sessions inside your child's school.

No travel. No equipment. No pressure.

Your child joins a small group, plays real instruments, and builds confidence over time.

The Programme

This is not a one-to-one lesson.

It is a band.

Each student is placed into a small group of 3 to 7, with the same students, same tutor, and same time each week.

Sessions are:

- 30 minutes, once per week
- Held during the school day
- Delivered inside the school hall
- Structured and beginner-friendly

Consistency is the point. Same group, every week. That is where progress comes from.

Instruments & Equipment

Everything is provided.

- Drums
- Guitars
- Bass
- Keyboards
- Vocal microphones

Your child does not need to bring anything.

If they already have an instrument and would prefer to use it, they are welcome to bring it along.

Hearing & Volume

We understand that parents may have concerns about noise levels.

Sessions are run at safe, controlled volumes.

- Sound levels are managed for a small indoor space
- Drum volume is controlled and monitored
- Amplifiers are kept at appropriate levels
- Tutors actively manage the overall sound in the room

This is not a loud rehearsal environment. It is a structured session for beginners.

If your child is sensitive to sound, let us know in advance and we can make adjustments where needed.

Students are welcome to use ear protection if preferred.

Who It's For

Most students start as complete beginners.

Common starting point:

“I have never played anything before.”

That is expected.

Students are grouped by age and ability, and everyone starts at a level that works for them.

What Happens Each Week

Students:

- Learn the basics of an instrument
- Play alongside other beginners
- Rotate instruments early on
- Build towards playing full songs together

The goal is simple.

Help them feel comfortable playing music with other people.

Trial Sessions

We offer a free trial session.

- One session inside school
- No payment required
- No commitment
- No follow-up pressure

Your child joins a real band session and takes part.

Afterwards, you decide if it is the right fit.

Booking & Payment

If you decide to continue:

- £40 per month per student

- Paid monthly, in advance
- Works out at £10 per session

Your child is assigned a weekly slot within a band.

That slot is held for them each week.

Cancellations & Missed Sessions

- 48 or more hours notice. We will try to rearrange where possible
- Less than 48 hours. Session is charged
- No-show. Session is charged

Missed sessions are not refunded.

Rearranged sessions are not guaranteed due to fixed group schedules.

Attendance

Sessions take place during the school day.

There is:

- No drop-off required
- No collection required
- No travel needed

Your child attends as part of their normal school routine.

Progress

Progress is steady and builds over time.

Most students:

- Gain confidence
- Learn parts of real songs
- Work as part of a group

- Take part in performances

Every child develops at their own pace.

Behaviour

We expect students to:

- Be respectful
- Follow instructions
- Treat equipment properly
- Work as part of a group

If behaviour becomes disruptive or unsafe, participation may be paused or stopped.

Safety & Safeguarding

Amped Up Rock School operates within the school environment.

We:

- Work within school structures
- Maintain appropriate boundaries
- Keep communication clear with parents
- Hold appropriate checks and insurance

If you have any concerns, contact us directly.

Tutors

All tutors are:

- AccessNI checked
- Background verified
- Fully insured
- Experienced in teaching and performing

Sessions follow a consistent structure across all tutors.

Photos, Videos & Testimonials

We may occasionally ask for:

- Photos
- Videos
- Testimonials

This is always optional.

Nothing is shared publicly without your permission.

Student of the Month

Each month, we highlight a student showing:

- Effort
- Improvement
- Confidence

This is not based on talent.

It is about progress.

Participation is optional.

Communication

We keep communication simple.

You can contact us via:

- Email
- Phone
- WhatsApp

We will contact you about:

- Trial confirmations

- Lesson updates
- Important notices

No unnecessary messages.

Final Notes

This programme is designed to be simple for parents and effective for students.

- No gear
- No travel
- No pressure

Just consistent, weekly sessions where your child builds confidence through music.
